Those Four Dark Days In November

1. Every nation, except Red China, was represented at the funeral. Many of the world's leaders stand in reverent silence at the grave: President de Gaulle of France, center, with Emporer Haille Selassie of Ethiopia beside him, newly-elected Chancellor Erhard of West Germany behind Emporer Selassie, and scores of other dignitaries from all over the world. 2. A horse-drawn caisson carrying the flag-draped casket of the late President moves out of the Capitol plaza enroute to St. Matthews Cathedral for funeral services. 3. Mrs. Kennedy, three-year-old John, Jr. and six-year-old Caroline standing at the White House entrance on Sunday before joining the procession in which the President's body was borne from the Executive Mansion to the Capitol. 4. An officer gives the final salute to the casket. The eternal light was lighted during the ceremony. 5. With her daughter Caroline kneeling by her side, Mrs. John F. Kennedy kisses the casket of her husband in the rotunda of the U. S. Capitol. 6. Lyndon Baines Johnson is sworn in as President of the United States of America in the cabin of the presidential plane as Mrs. Jacqueline Kennedy stands at his side. Judge Sarah T. Hughes administers the oath of office. In the background are: Jack Valenti, administrative assistant to Johnson; Rep. Albert Thomas, D-Tex.; Mrs. Johnson; and Rep. Jack Brooks, D-Tex. Seconds later the plane carrying the new President, the presidential party, and the body of the late President Kennedy was on its way back to Washington, D. C. (Cont. on p. 17)

Four Dark Days (Cont. from p. 2)

During the eighth period on Friday, November 22, Mr. Reinehr's voice came over the intercom in a special announcement "President Kennedy has been shot in Dallas, Texas. He has been taken to a hospital there. We shall keep you informed if there is further announcement as to his condition."

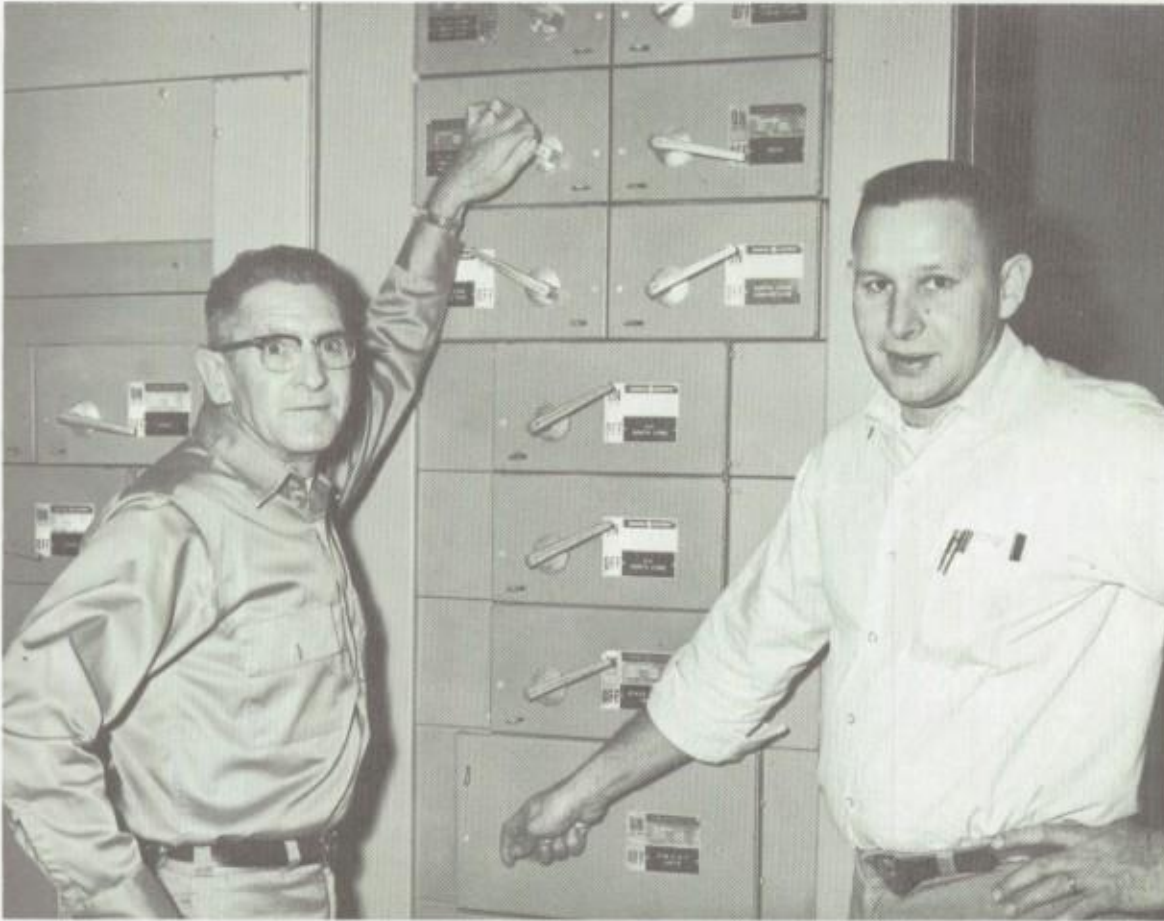

Within a few minutes the radio was making the announcement over the intercom and giving the details of the President's death.

The students and faculty alike were stunned and shocked by the terrible news. It seemed impossible that such a thing could happen in their United States.

There was no school on Monday, as the nation attended the funeral via television. In fact, all commercial programs and advertising were cancelled immediately with the announcement of the assassination and the whole nation literally mourned together as they watched the proceedings of those four days.

* League Games

This year was a trying one for the Falcons of Riverdale. Over sixty men, among them eight returning lettermen, reported for the starting practice session on August 16. Even the weather did not cooperate--as the stifling heat of summer changed to the bitter chill of fall almost overnight.

The coaches, players, and spectators will never forget the thrilling game with Mohawk on November 8. It was the last game of the season for both teams and the Warriors of Mohawk were boasting of winning.

The game could not end in a tie if the Falcons were to place third in the league--it had to be a clear cut victory.

It was six to six through the last quarter. Finally we carried the pigskin within field goal range. Was a field goal possible? Mr. Watson sent Roger Bell in for the sole purpose of splitting the uprights with a field goal. All was hushed and tense, both on the bench and in the stands, with all fingers crossed. The ball came from center; up came Roger...Oh no! It hit the left side of the uprights. Just two mere inches and the whole game could have turned from a tie into an overwhelming victory. Just think of it!

PLAYERS OF THE YEAR

Greg Beckwith, a graduating senior and a two year letterman, has given four years of his life towards the sport of football. He was chosen for his ability as the first string defensive outside linebacker on the North Central All-Conference Team. He also received honorable mention as offensive guard. During the football season, Greg received the highest number of stars and was voted by the team as "The Lineman of the Year." The opponents of Riverdale will never forget Greg.

Dennis Ulrich, a junior and a two year letterman, has participated in varsity football for two years. For the 1963 football season, Dennis tallied thirty-six points with an average of 4.3 yards per carry of the pigskin. He also received honorable mention as defensive end on the North Central All-Conference Team. Dennis was named as "Back of the Year" for the 1963 football season. Great things are expected from Dennis.

Cross country is a minor sport held in the fall. It is a type of track event where the boys run approximately two miles over land.

It takes a great deal of rigorous training to make a good cross country runner, and this year Riverdale has produced a fine team of boys.

Jim Shane and Terry Huffman were especially outstanding. Jim came in second in the district meet and Terry Huffman led the team to the finish line many times.

Activities

Student Council

The Student Council's major project for the year was publishing a student handbook which will be ready for distribution at the beginning of school in the fall. Each member of the Council was given a section or area of the book to consider, research, and prepare.

Some of the main areas are: Philosophy of the school, history of the school, floor plan of the building, regulation of governing student behavior, library rules and study habits, special services of the school, the purpose of guidance, student government, extracurricular activities, and graduation requirements.

At Christmastime, the Council sponsored window decorations and a Christmas tree in the lobby, and during the week preceding Christmas, read poems and other written works each morning over the public address system.

The Council planned and supervised the Homecoming program and the dance which followed the football game.

Coffee and doughnuts were served to the officials in the press box at football games.

Interclass volleyball tournaments were sponsored by the Student Council.

A six-year-old orphan boy in India was supported by the Council. This cost \$60 per year. To the orphan boy this meant the difference between being taken as a slave by the Communist Hindu landlords who have hundreds of other orphaned boys and girls of India, and being cared for by the World Missionary Evangelism Children's Home, where he will be given Christian training, fed, clothed, educated, and receive the warm loving care of the people around him.

Quill and Scroll is an international honorary society for high school journalists. The Riverdale Chapter was granted their charter on March 20, 1964, with Mrs. Gemmill, Falconette advisor, and Mrs. Curtis, Talon advisor, as sponsors. The requirements for candidacy are as follows: The candidate must be a junior or a senior in the upper third of their class scholastically; he must have made a real contribution toward the publishing of either the newspaper or the yearbook; and he must be approved by the local sponsors and also by the secretary-treasurer of the national society.

There were fifteen students tapped as candidates with nine seniors and four juniors initiated as members.

FINDLAY COLLEGE

HOMECOMING PARADE TROPHY

The Riverdale Band Boosters were proud as they viewed the seventy-two members of the Riverdale "Falcon" Band at the Hardin County Fair last fall.

At the Findlay College Homecoming, the band was presented a beautiful trophy. Pictured at the left is the trophy held by Mr. Willeke, band director, and Gary Southward, president of the band. The band was judged on marching ability, coordination of movement, and uniforms.

At all football games, home or away, the "Falcon's" performance was superb.

There is no Death! What seems so is transition;
This life of mortal breath
Is but a suburb of the life elysian,
Whose portal we call Death.

They are not dead, - the classmates
of our affection, -
But gone unto that school
Where they no longer need our
poor protection,
And Christ himself doth rule.
